

2020 - BENET TENNIS CAMPS – 2020

Dear Tennis Campers

Below is the new (and hopefully the last) camp schedule. If you have questions at all, email me at busybob12@gmail.com or text at 630.881.2595. We will also be sending out this information via the Remind App.

Welcome to the Benet Tennis Camp 2020. This will be our 19th year of offering a quality and fun tennis experience. Due to the current health conditions, we are adjusting the camp schedule, with a 1-week doubles camp followed by three 1-week skill camps. For the skill camps, a player can sign up for 1 of 2 morning slots each day. (See the information below.)

Doubles Camp: The Doubles Camp will run Monday through-Thursday with Friday as a rain date or as an optional doubles tournament.

Skills Camps: 1-week camps Monday through Thursdays with Friday as the rain date. We will stress the fundamentals, refinement of existing strokes, and for the more skilled players, competitive strategies to become successful at the high school level. Players will be grouped by ability. Both sessions of the skills camp will run for 1½ hours a day four days a week. Benet Coaches Mike Hand and Bob Comerford will be the camp directors. In addition, there will be other current or former college players assisting at the camp.
