

2021 - BENET TENNIS CAMPS - 2021

Welcome to the Benet Tennis Camp 2021. This will be our 20th year of offering excellent and fun tennis instruction. We will be following all health protocols this summer.

High School Doubles Camp: The high school doubles camp session will be devoted entirely on competitive doubles. In this camp, we will develop effective doubles skills like aggressive approach shots and net play, poaching, player positioning, and proven doubles strategies. There will also be ample opportunity for competitive doubles play in a daily match format culminating in the Friday Championship Doubles Tournament with awards given. (Rain Makeup 6/12/2021)

Open Doubles: This camp will also focus on doubles and is open to all age levels. It will run Mon-Thur with instruction and play intermixed during the time and players will be group by ability.

High School and Junior High Camp: These will be 2-week camps (Mon-Thur., Fridays will be rain make-days). We will stress the fundamentals, refinement of existing strokes, and for the more skilled players, competitive strategies to become successful at the high school level. Players will be grouped by ability. We may also move exceptional 7 and 8th graders into the high school camp if their ability warrants it. Both sessions of the high school camps will run for 2 hours a day four days a week and the junior high camp 1½ hours a day. Fridays will be rain days. Benet Coaches Mike Hand and Bob Comerford will be the camp directors. In addition, there will be other current or former college players assisting at the camp. These camps are open to players from all schools. (Note—Session 1 of the junior high camp is at a different time.)

Beginner Camp: This will be a series of 2-week camps, 45 minutes each day, Mon.-Thurs., focusing on the fundamental strokes and how to play and score the game. We will group each player by ability on the courts so that each group is being adequately challenged. Fridays will be rain make-up days.

Please note, if you prefer not to send us a check for payment, try our easier online registration at Benetcamps.com. (Please note there is a \$3-\$6 processing charge for this service.)
